

Lung Cancer Screening & Awareness Event

Lung cancer is the second most common cancer and the leading cause of death from cancer. If lung cancer is found early, it is more likely to be treated successfully.

Sewell's Point Medical Clinic Norfolk, VA July 17 from 8 a.m. – 1 p.m.

All beneficiaries 50 years old or older with current or prior tobacco use are encouraged to attend.

Healthcare professionals will discuss if screening is recommended.

Eligible beneficiaries will have screenings ordered the same day.

Tobacco Cessation Resources Will Be Available!
