

What is MHS GENESIS?

MHS GENESIS is the new EHR that provides you and your doctors enhanced, secure technology to manage your health information. When fully deployed, MHS GENESIS will be the single health record for service members, veterans, and their families.

What is the MHS GENESIS Patient Portal?

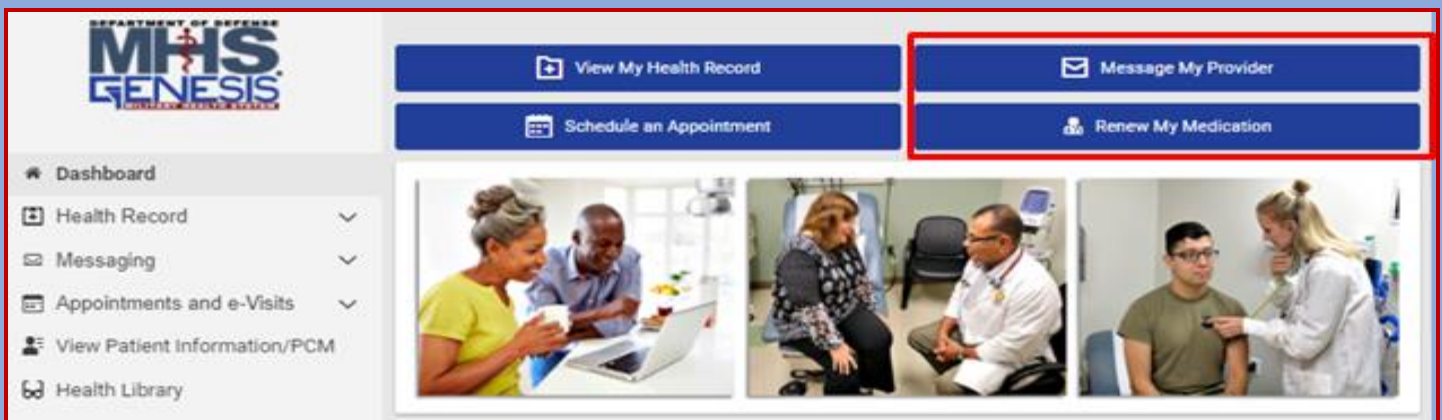

Along with the new EHR, the MHS GENESIS Patient Portal is a secure website available 24/7 that gives you access to your health information. Through the MHS GENESIS Patient Portal, you can:

- Monitor your health information!
- Exchange secure messages with your care team!
- View lab and test results!
- Request prescription refills!

How to Use the MHS GENESIS Patient Portal

Explore our step-by-step tutorials on how to use some of the most popular MHS GENESIS Patient Portal features.

1. From the [MHS GENESIS Patient Portal](#) Dashboard, choose either Message My Provider or Renew My Medication.

2. In the New Message menu, select the patient who the message is about.

3. In the “To” field, search for the appropriate clinic name (see name reference list below).
