MEDICAL, DENTAL, AND EDUCATIONAL SUITABILITY SCREENING CHECKLIST AND WORKSHEET

Privacy Act Statement: OPNAVINST 1300.14D authorizes collection of this information. The following information and documents, as applicable, are required to conduct medical, dental, and educational screening to determine suitability for an overseas, remote duty, or operational assignment. Complete and current information is essential for completion of screening. Disclosure is voluntary, however, missing or incomplete information may delay the screening process, result in orders held in abeyance until completion of screening, or affect the amount of leave in transit. Refer to BUMEDINST 1300.2B for implementing guidance.

The Suitability Screening Coordinator (SSC) at the military treatment facility (MTF) can assist in obtaining and completing the required information. The SSC will ensure required information and documents are complete and current before referral to a MTF provider for screening and a suitability recommendation. The SSC will place the completed original from in the individual's Service Treatment Record/Non-Service Treatment Record and retain a copy for audit. Medical, dental, and educational suitability screening is valid for 12 months from the date of completion if there were no significant changes in the medical, dental, or educational status of the service or family member. The service member must notify his or her commanding officer or officer in charge of any change in status (including pregnancy). Complete one form for each Service and family member screened.

MEDICAL, DENTAL AND EDUCATIONAL SUITABILITY SCREENING FOR SERVICE AND FAMILY MEMBERS

Privacy Act Statement

Authority: 5 U.S.C. 301, Departmental Regulations; and E. O. 9397 (SSN).

Purpose: To identify special, medical, dental or educational needs for the purpose of making a suitability recommendation for an overseas, remote duty, or operational assignment.

Routine uses: This form is completed by a medical treatment facility (MTF)/non-MTF dentist and physician, nurse practitioner, physician assistant, or independent duty corpsman (Service members only). An MTF Medical Screener must counter sign all screenings completed by non-Navy MTF Providers. The MTF Suitability Screening Coordinator (SSC) will place the completed original form in the individual's Service Treatment Record/Non-Service Treatment Record and retain a copy for audit.

Disclosure: Voluntary; however, failure to provide this information may delay the screening process, result in orders held in abeyance until completion of screening or affect the amount of leave in transit.

Refer to	o BUME	DINST	130	0.2B for implementing g	uidance. Complete oi	ne form for	each Servi	ce and family men	nber screened.
