

TRAINING REQUIREMENTS:

In order for a Command Deployability Coordinator to gain access to LIMDU SMART, computer base training (CBT) in SWANK listed under Deployability Coordinator Training MTF DEPCoor - 1.0 must be completed.

For non-SWANK users, who need access to their role specific computer based training (CBT) for LIMDU SMART, can access the CBT on the following website:

<http://edqtest.med.navy.mil/CBTs/> .

Command Deployability Coordinator must view the LIMDU SMART Parent Command Deployability Coordinator Training module and complete the Computer Base Training Acknowledgement of Completion.

The Deployability Coordinator will need to send an email with the completed course certificate and Command Limited Duty Coordinator appointment letter to:

Ms. Swan, Barbara.l.swan2.civ@mail.mil, (757) 953-5965

Ms. Williams, zandra.r.williams.civ@mail.mil, (757) 953-9207.
